Re: United States v. William Washington, 21-CR-603 (VEC)

Dear Judge Caproni,

I am writing to respectfully request an extension of time to file my Rule 29 and Rule 33 motions.

Due to mitigating circumstances, including the emergence of new evidence, I am unable to meet the current deadline of ~~June~~ **July** 12, 2024. I respectfully request an extension until ~~June~~ **July** 15, 2024, to ensure adequate time to prepare these critical motions.

The additional time is necessary to thoroughly review and incorporate this new evidence, which is essential for a complete and fair presentation of my arguments. These circumstances have significantly impacted my ability to complete the motions within the initially allotted time.

I appreciate your consideration of this request.

Respectfully,

By: /s/William Washington
William J. Washington, Pro Se

Application GRANTED. The Defendant's deadline to submit post-trial motions is **July 15, 2024**. This is a **firm** date; no further extensions will be granted absent extraordinarily good cause. SO ORDERED.
